

Balfour Infrastructure, Inc and Balfour Construction, LLC

HR Privacy Notice for California Residents

Effective Date: January 1, 2020

Balfour Infrastructure, Inc. and Balfour Construction, LLC (**collectively “Balfour Beatty”**) respects your concerns about privacy. This HR Privacy Notice describes the types of personal information we collect about California residents who are (1) Balfour Beatty employees, owners, directors, officers, medical staff members and contractors (collectively, “Balfour Beatty Personnel”), (2) job applicants; (3) emergency contacts of Balfour Beatty Personnel, and (4) individuals related to Balfour Beatty Personnel for whom Balfour Beatty administers benefits (collectively with Balfour Beatty Personnel, “HR Covered Individuals”).

Balfour Beatty Personnel are responsible for providing this Privacy Notice to any HR Covered Individual whose personal information is provided to Balfour Beatty by Balfour Beatty Personnel. Certain terms used in this Notice have the meaning given to them in the California Consumer Privacy Act of 2018 and its implementing regulations (the “CCPA”).

Personal Information We Collect

Balfour Beatty may collect the following categories of personal information about HR Covered Individuals:

- **Identifiers:** identifiers, such as a real name, alias, postal address, unique personal identifier (e.g., a device identifier, employee number, unique pseudonym, or user alias/ID), telephone number, online identifier, internet protocol address, email address, account name, Social Security number, driver’s license number, passport number, date of birth, and other similar identifiers
- **Additional Data Subject to Cal. Civ. Code § 1798.80:** signature, physical characteristics or description, state identification card number, insurance policy number, education, bank account number, credit card number and debit card number, and other financial information, medical information, and health insurance information
- **Protected Classifications:** characteristics of protected classifications under California or federal law, such as race, color, national origin, religion, age, sex, gender, gender identity, gender expression, sexual orientation, marital status, medical condition, ancestry, genetic information, disability, citizenship status, and military and veteran status
- **Commercial Information:** commercial information, including records of personal property, products or services purchased, obtained, or considered, and other purchasing or consuming histories or tendencies
- **Online Activity:** Internet and other electronic network activity information, including, but not limited to, browsing history, search history, and information regarding your interaction with websites or applications
- **Geolocation Data**
- **Sensory Information:** audio, electronic, visual and similar information

- **Employment Information:** professional or employment-related information, such as compensation, benefits and payroll information (e.g., salary-related information, tax-related information, benefits elections and details regarding leaves of absence), information relating to your position (e.g., job title and job description), performance-related information (e.g., evaluations and training), talent management information (e.g., resumé information, occupation details, education details, certifications and professional associations, historical compensation details, previous employment details, and pre-employment screening and background check information, including criminal records information), emergency contact information, and dependent information
- **Inferences:** inferences drawn from any of the information identified above to create a profile about you reflecting your preferences, characteristics, psychological trends, predispositions, behavior, attitudes, intelligence, abilities, and aptitudes.

How We Use the Personal Information

We use personal information for the purpose of carrying out and supporting HR functions and activities, including the uses described below. In addition to general HR purposes, the Purpose column also lists relevant “business purposes” as they are described in the CCPA. The Categories of Personal Information column identifies the categories of personal information that are used for each purpose.
